

# Newark Art Club

## Programme June to December 2018

Please note that the studio is open from 6.45 to 9.00pm

There is no need to follow the programme, should you prefer to do your own artwork, this is perfectly fine. **When we have a demonstration** we would like all the members that are in the studio to attend. Always bring your own artwork in case of a last minute programme change.

**Member's night** can be used for asking for advice/help from experienced members on a one to one basis, or in small groups. You can always do your own Art Work; it is entirely your choice.

**For Small Group Sessions** - members can book their place anytime if they are on the programme. The List is on the Club Notice board or book with Mark G.
