

Newark Art Club

Programme January to June 2019

Please note that the studio is open from 6.45 to 9.15pm

There is no need to follow the programme, should you prefer to do your own artwork, this is perfectly fine. **When we have a demonstration** we would like all the members that are in the studio to attend. Always bring your own artwork in case of a last minute programme change.

Member's night can be used for asking for advice/help from experienced members on a one to one basis, or in small groups of 6. You can always do your own Art Work, it is entirely your choice.

Small Group members can book their places on the noticeboard when a list is displayed. **The person running the small group will stipulate the numbers they can cater for.**
